

Dear Family or Guardian,

Haverhill Clubhouse and Vinfen are taking all precautions during this COVID-19 outbreak. As of Wednesday March 18th, 2020, Haverhill Clubhouse will be closed until further notice to members and anyone besides the staff. This is to follow protocol with social distancing to help protect the health of all our members and staff.

This was not a decision taken lightly. The staff at the Clubhouse will continue to engage, support and outreach to our members during this time. For as long as it is feasible, we will be reporting to work to do phone outreach, group chats, and social media check ins. We will be utilizing social networking to keep in touch with our membership This will include WhatsApp and Facebook (<https://www.facebook.com/HaverhillClubhouse/>). In addition to that we will be delivering food, at least one meal a day to members who do not have any other outside supports.

Please reach out to me with further questions or concerns. The health and wellbeing of our members is of utmost importance to us.

Sincerely,

Kerry Caraccio
Director of Haverhill Clubhouse
